

Ways to Donate

Designate funds from your Church or Group Offerings

Even though the camp is owned by the Association providing support or funding isn't a requirement but a choice by each congregation. Some churches within the Association provide regular support to the Camp both financially and via volunteering. This is much appreciated as this is one of our local COG ministries.

Give to Capital Fund Campaigns/Special Projects

Support financial needs for special projects or capital investment needs at the camp. This can be done in a variety of ways- cash (one time or pledge), gifts in kind, supplies, or service. These requests will be shared with the churches within the Association, at the Camp White Branch dinner, and on the Association website under Camp White Branch.

Donate Gifts in Kind

Cash is not the only type of donation we can receive. God has blessed each of us with different resources to invest in His kingdom. You can donate appreciated stocks or mutual funds held for more than a year as a tax-wise alternative. Sellable cars, boats, RVs, land, coin collections, fine jewelry, or other items that can be readily sold for profit. Please ensure you research how to gift registered or licensed items for resell and tax implications.

Identify Camp White Branch in your Estate Planning

When estate planning, many individuals look for ways to ensure the money or things accumulated and accomplished while on this earth by God's grace will continue to provide individuals with an opportunity to experience God and change lives. The camp can be designated in your will/trust or as a beneficiary for specific assets/financial accounts/insurance policies. Giving to Camp White Branch ministries will do this. Please contact the COG Association office for more details and work closely with your lawyer.

Provide Gifts in Honor of a Loved One

Honoring a loved one or friend with a financial gift is a wonderful way to thank them for the impact they have made in your life. Have individuals donate to the camp in lieu of flowers at a funeral in remembrance of a loved one or friend. Please contact the COG Association or CWB Board Chairman to coordinate these donations.

Adopt at Cabin or Specific Building

Is your group or family looking for a specific project or way to give to Camp White Branch? Why not adopt a cabin or building at the camp. This would require providing your skills and financial support of a specific cabin(s)/building each year. The Camp Manager has specific plans for the buildings and facilities and would outline the needs for your group. Due to building regulations some tasks need to be performed by professionals. The needs are many at the camp and the existing buildings are always in need of updating and repairs to ensure the enjoyment and safety of our campers.

Employer Matching Donation Program

Many employers today will match all or part of their employee donations to non-profit organizations. Do you give to the camp today or are you thinking about giving- please check with your employer to see if this is an option. Some employers also match hours of service by employees at a non-profit via an hourly donation to organization. You might be able to double your gift!

Donate Supplies, Tools, & Appliances

Looking for some place to donate new or "almost new" tools, appliances, and electronics? The camp is always looking to update/replace items to minimize maintenance and repair costs and identifying new needs based on day to day management plus customer feedback. You can find a list of the items needed at the camp on the COG Association website under CWB. Please contact the Camp Manager, Leonard Meyer, to request more details and to coordinate the donation.

Sponsor a Yearly Fund Raising Dinner/Event

With the distance between our churches in the association it would be great if different regions would support having a fundraising dinner or event each year for the camp (thank you Mt Scott!). A member of the board would be happy to join and share what is going on at the camp as well as current needs.

*** Donations should be tax deductible in since Assoc. COG/Camp White Branch is a non-profit organization. The Association office will provide a receipt for known donations.
