Youth Speaker: Marshall Snider

Over a decade ago our family moved up to the Portland area to begin a journey that would take us really to the end of ourselves. We never imagined we would be doing what we are doing today at Because People Matter. It has been a continued joyful adventure as we have watched this organization grow and impact thousands of lives. My role as the Executive Director is such an extension of my personal mission which is to “Encourage, equip and inspire people and organizations to greatness.” This is what I get to do everyday. I have the pleasure to lead our team, encouraging us all to stay close to the vision of Because People Matter which is to “Love People Because People Matter”. I can’t imagine doing anything else!

Youth Worship Team: Turning Point

Turning Point comes from Centralia Community Church of God, and they truly have a heart for worship. Taking off in 2013, this team has grown in many ways. Recently, Morgan Fast, who leads the team on keys and vocals, was selected to help lead with the 2016 IYC (International Youth Convention) worship team in San Antonio, Texas last July.
