

White Branch Multi-Purpose Building Campaign 2015

The expression, "If you build it they will come" has meaning for our church camp at White Branch. We already have a fantastic camp with a dining hall, six cabins, a historical lodge built by the Civilian Conservation Corp and a caretaker's home.

Our new addition, the multi-purpose building, is well underway. It will dramatically expand our fall and winter availability when weather becomes a factor.

The Association has loaned us funds to proceed. It will take approximately \$500,000 (\$284,000 to **repay** the Association of the Churches of God and \$216,000+ to **complete** the project).

Lisa Switzer and I have volunteered to lead the campaign. We need your prayers and financial help.

We have designated the three Sundays before October 11, to inform each church about the campaign through testimonies, uses for the building and pledge information.

We are identifying one representative from every congregation. Kevin Richardson, Lynchwood Church of God; Dave Marble, Sunset Park Church of God, St. Helens; and I will represent Hoodview Church of God in Woodburn just to mention a few.

The representatives help inform the congregation about our project. We are asking the churches to set aside five minutes on September 20, 27, and October 4 to share vital information about our project.

October 11th is all-church pledge Sunday. We are asking each congregation to collect and total the pledges and call or text their total pledges to the District Office. Hopefully, the combined total can be texted back to the congregational representative and announced to the churches what we have pledged together as an association that same Sunday, or, if not, the next Sunday.

It is a three-year campaign with pledges being sent directly to the District Office from your local church representative each month.

Help us reach our goal. Countless lives have found Christ at Camp White Branch.

Let us complete this building project as we join hearts, finances and our prayers in a unified effort to bring glory and praise to God.

Thank you for being a congregational representative! A packet of info is soon to follow. If you have any questions, call me (John) at 503-312-3208.

Your campaign leaders,

Lisa Switzer, John Kuykendall

GOALS:

- congregations combined, \$300.00
- family memorials, \$100 (in memory of a loved one)
- business contributions, \$100 (non-profit contributions)

If you would like more information about this exciting project, please call me, John Kuykendall, if I can help answer any questions or hear how you can help support the outreach ministry at **Our Camp**.
