## IMAGINE THE FUTURE...LEAVE A LEGACY

### The Future Begins Today

Thank you for showing an interest in our Capital Fund Campaign for Camp White Branch (CWB). The ongoing ministry of CWB continues to touch the lives of children, youth, and adults alike who experience God and His creation in this wonderful place and we appreciate your consideration of this worthwhile ministry.

Camp White Branch was purchased by the Churches of God in April 1958 and has been an important part of our ongoing ministry ever since. However, we've come to the place where we need to expand its potential year-round use for ministry, thus our Capital Fund Campaign.

This second campaign seeks to finish the new multi-purpose building which has already been started with funds gathered from previous campaigns and a loan from the COG Association. We incurred additional costs due to increased 'snow load' regulation for the roof, increased construction costs due to inflation, and the need to complete and furnish the interior of the building for use.

This Campaign seeks to raise \$500,000 so we can pay back the loan to the COG Association and finish the building.

### How Can You Help?

As you consider how you can help us reach this goal, we would like you to think about the following ways you could be involved. We invite you to take action on any of the following suggestions...

1. Pray for the ongoing ministry of CWB and the success of this Campaign.
2. Give a one-time financial gift to this Campaign.
3. Give a monthly or yearly financial pledge toward this project.
4. Give 'gifts in kind,' toward the Campaign. For example: a car or boat or RV; land; stocks/bonds; or other items of value which may be sold.
5. Tell others you know about CWB, its ministry, and this Campaign
6. Rally your small groups or Sunday school classes to commit to raise funds

As you can see, there are many ways you can make a difference in this Campaign and there by help us to not just imagine the future, but to see it become a reality. What we do today impacts our future and the future of Camp White Branch looks brighter and promising with the completion of this multi-purpose building.

Yours in Service,

Camp White Branch Board
