## Guest Speaker

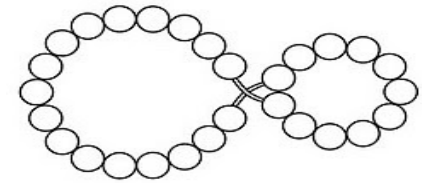

Lynda Taylor has a history of motivating women to be all they can be in Christ. Her husband, Don, was a minister/contractor. He went to be with the Lord in 1999 after a battle with brain cancer. Don and Lynda and three sons traveled the northwest building churches, then building congregations. Upon their arrival in a new area Lynda would volunteer at community events and establish Ladies Bible Studies in surrounding areas. The family was avid missions supporters. She volunteered in state committee programs. Her agenda occasionally included retreat and conference speaking for various denominations. After Don's death, she returned to college, then entered the work force as an activity professional in health and rehab. Lynda currently works part-time and enjoys being close to her children and grandchildren as well as great grandchildren,

Please bring a basket to be placed in the auction, and then come prepared to bid on baskets provided by the other churches. Some ideas might include gardening, chocolate, reading, fun in the sun etc.
