## Rev. Jerry Davisson, DMin | DISTRICT PASTOR

To say these are strange and unprecedented times is perhaps an understatement. With the onset of COVID-19 requiring the discontinuation of in-person church services we have all had to adapt to a new rhythm of life. We are also experiencing racial and political tension in our country, causing much division among even people of faith. It is more important than ever to hear the words of John as he said in 1 John 4:7-16:

*<sup>7</sup> Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. <sup>8</sup> Whoever does not love does not know God, because God is love. <sup>9</sup> This is how God showed his love among us: He sent his one and only Son into the world that we might live through him. <sup>10</sup> This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins. <sup>11</sup> Dear friends, since God so loved us, we also ought to love one another. <sup>12</sup> No one has ever seen God; but if we love one another, God lives in us and his love is made complete in us.*

*<sup>13</sup> This is how we know that we live in him and he in us: He has given us of his Spirit. <sup>14</sup> And we have seen and testify that the Father has sent his Son to be the Savior of the world. <sup>15</sup> If anyone acknowledges that Jesus is the Son of God, God lives in them and they in God. <sup>16</sup> And so we know and rely on the love God has for us.*

*God is love. Whoever lives in love lives in God, and God in them.*

As District Pastor, I am striving to live this out in my daily life and as I interact with the pastors and churches of the association.

As we continue to navigate these uncharted waters let me remind you of the role of the district. According to our guiding principles:

The District exists to a) assist the local Churches of God in Oregon and Southwest Washington discern and achieve their individual missions, and b) partner with them to minister together in ways that they cannot minister separately. The three priorities the association has adopted are as follows:

- **DISCIPLESHIP:** The highest priority of The Association of the Churches of God in Oregon and Southwest Washington is to be and to make committed followers of Jesus Christ.
- **LEADERSHIP:** A significant and supporting priority of The Association of the Churches of God in Oregon and Southwest Washington is to establish an environment that recognizes people with leadership potential and comes along side to nurture and develop that person.
- **RELATIONSHIP:** A significant and supporting priority of The Association of the Churches of God in Oregon and Southwest Washington is to be an Association that is connected by more than just a name or a structure. We desire that our actions and interactions be instigated through intentional covenantal relationships.

My role as District Pastor is to give vision to our association and support to our pastors and churches in these changing times. This year was a year of learning and adding tools to my tool belt so I can better fulfill that role.

In January I completed a Missional Coaching internship with Dr. Bob Whitesel. The purpose of this internship was to better prepare myself to help the churches in our association live out our missional calling. Dr. Whitesel has written 13 books and has over 20 years of church consulting experience. I have learned a great deal from Dr. Whitesel and I am available to use what I have learned to help your church.

In June I completed my Doctor of Ministry degree at Fuller Theological Seminary. As part of my final project I have written a *Missional Coaching Handbook* that pastors and leaders can use to help coach their people out into their own neighborhood. I am making some tweaks to the handbook to make it more user friendly. The handbook is available to you and I am available to help teach and lead your congregation to live out your missional calling and to better equip your leaders to engage their neighborhood with the gospel.

I also completed training with Gravity Leadership and am one of their certified coaches. I am currently leading a cohort of seven pastors from our district, in weekly coaching calls, to learn to center our lives and leadership in the love of Jesus. This Gravity Leadership Academy is a 10-month intensive coaching process that will prepare you to disciple others in the way of Jesus. If you are interested in being part of a cohort contact me and I will get you information on how to apply.

In response to the COVID-19 crisis and to help keep our pastors and staff connected and sharing life together I began hosting a "pastors gathering" via ZOOM every two weeks. These meetings began in April and are continuing. These one-hour sessions have been rich times to check in with each other, share best practices and pray together. This will be something that I will continue even after the pandemic is over. As pastors and church leaders we need each other and this has been a great way to share life together, even if it is virtually.

I am continuing to work with a group of regional pastors and our national office on a pilot project known as the Pacific Coast Collective. The collective has been instrumental in developing a training program called the Chapter 4 Institute. Rooted in the significance of Luke 4:16-21, the Chapter 4 Institute is an immersive, cohort-based leadership experience that creates passion for spiritual and social renewal in communities. Through experience-based learning, the Chapter 4 Institute challenges leaders to reimagine how the church might earn its place as an essential player in solving community issues. Currently we have four churches and nine participants who are part of the initial C4 program. Look for details to come.

I continue to represent our association on several boards and committees including Warner Pacific University, Servant Solutions, the Regional Pastors executive committee as well as the Camp White Branch Board, District Council, the Credentials Board, and the Willamette Valley Camp Meeting planning board.

As member of the Board of Trustees at Warner Pacific University I am excited to welcome Dr. Brian Johnson as the 8<sup>th</sup> president of the University. Dr. Johnson brings a deep spirituality and a wealth of experience in making higher education available to minority students. I look forward to having an opportunity to introduce Dr. Johnson to the pastors of our association and to renew our support and commitment to the ongoing mission of WPU.

The leadership of Camp White Branch was asked to commission a Strategic Planning Task Force to look at how we can make the camp and her ministry a benefit not only to the association but to the wider church and the Kingdom of God. You can see the details of that work in the Camp White Branch report. I want to thank Leonard and Stacey Meyer for their tireless work with the camp. Well done! I also want to thank Lisa Switzer and the army of volunteers who continue to work on improving the camp and its facilities. We look forward to the camp providing a space to introduce people to Jesus and to grow the Kingdom of God.

As of the writing of this report, there are no churches who are actively seeking pastoral leadership. New pastors in the last fiscal year for our association include Andrew Loyd (Cottage Grove) and Doug Balzer (Newberg). We welcome Matt Ingalls (Salem) back to Oregon. I would encourage you to get to know these new pastors and make them feel welcome.

As part of the association's ongoing mission to make disciples and grow leaders, we have partnered with Gravity Leadership to host a series of four one day bootcamps to help equip leaders to lead like Jesus. We have completed two of the four. However, due to COVID-19 we have had to postpone the other two. We are planning to have our third bootcamp on August 22<sup>nd</sup>, COVID permitting.

The District Council has made the decision to lease out the Salem office to help balance the association's budget. We are working on the details of how a virtual office will work. Our goal is to continue to provide the services you have come to expect in a seamless way. We will keep you informed if there are any changes to mailing address or phone number. If you have any questions, please don't hesitate to ask.

Finally, due to the changes coming for the office, both Val and Sally have prayerfully come to the conclusion that their time of serving the association will come to a close at the end of August. It has been an absolute joy to work with these two dedicated women. They have served the association well for many years and it is hard to see them go. I wish them well in the new adventure God has for them both. I will be sharing a job posting soon to find a person or persons to help fill the needs of the association moving forward. Please take the time to thank Val and Sally for their years of service to the district.

It has been a challenging year but through it all God has been present and at work in our midst. I am excited about the possibilities ahead for our association and I am honored to serve you as your District Pastor.

## DISTRICT COUNCIL CHAIR

As I sit at my computer, mulling over this Annual Report, I am struck by the differences from last year to this. Last year I was the interim Chair, trying to figure out how to navigate conducting the Annual Business Meeting. This year, I am no longer the interim, but am trying to figure out how to navigate conducting the Annual Business Meeting virtually (via ZOOM). What a difference the coronavirus pandemic has made... in our lives, in our churches, in our ministries, in our camps! So much is different! And yet, there remains one great constant... our Lord and Savior! Jesus IS the same today as He was yesterday, and will be tomorrow! How comforting to know that He is still in control! That He knows what the future holds! That He is the One, in fact, holding the future! I can worry about how much things are different, or I can rest in the Presence of the One who holds it all in His hands!

And so... as we look toward having our annual meeting virtually this year, I know there will be glitches. I know there will be frustrations. I know it won't be how we'd like it to be. But I also know that we will look to the One we serve, and seek His face, and His grace, and His guidance, and ask His blessing upon our endeavors to serve Him well as He leads through this time. I thank you all for your patience and grace as we do our best with not only this meeting, but with our ministries to Jesus!

We (sadly) say goodbye to our Office administrators, Sally Ranton and Valerie Borst, both of whom are stepping down from their positions at the end of August. They have served the district so well for many years; and all of our ministries have been blessed by their wonderful, dedicated ministry and service. We pray for God's richest blessings upon them both as they transition to new ministries and focuses in their lives. **THANK YOU SALLY AND VALERIE!!**

You will hear reports on some of the things I will just briefly touch on here. CWB Task Force has done an excellent job laying a foundation for next steps that will move CWB toward being a viable revenue producing camp that offers the opportunities for spiritual growth and impact we want it to be and know it can be. That task force will continue to serve the CWB Board under the guidance of the District Council.

Speaking of CWB, all summer camps and fall retreats were cancelled due to the Covid-19 restrictions. Those restrictions also caused the cancellation of the Willamette Valley Camp Meeting, and the gathering in person of many of our regional groups and all of our churches for a while. It also postponed the third gathering of those who are involved with the Gravity Leadership workshops. And even though it caused changes to be made, we are excited about the C4 program some in our district will be taking advantage of.

Because of the cancelations of so many of our camps and events this summer, our District and CWB Board applied for government PPP funds (loans), and are grateful to be able to help our employees through those during this pandemic. We also were able to help some of our pastors through our Benevolence Fund this year. The Council has developed an Employee Handbook for the District, (something we have not had, and definitely need), and it has been approved and put into operation this summer. This includes CWB employees.

Knowing that we would no longer have income from the sale of the Riddle property for this next year, and that we needed to present a balanced budget, the Council approved the move to downsize our use of office space and lease our District Office building, beginning the first of September. That income will enable us to not make any budget cuts in personnel or current ministries. District Pastor Jerry Davisson will share more in his report about how the District Office will look as we move ahead. Your prayers are appreciated for this transition.

As we continue to navigate how to serve Jesus and do ministry during the coronavirus pandemic and racial tensions facing our country, I have been impressed with this thought; that God has placed US here, in our communities and spheres of influence, for SUCH A TIME AS THIS! As Esther sought God through prayer, and then boldly took action for the sake of her people, may we, too, intentionally and fervently seek God, and then boldly act for the good of those in whose midst God has placed us!

And remember, we do more for the cause of Christ together than we ever can individually!

May God bless you with His grace, peace, love and empowerment!

Respectfully submitted

Glen Hossler,  
Association Chair

## CAMP WHITE BRANCH

Thanks to churches and individuals for your support of the camp. So many of you give in many ways, whether it be donations, your time and skills when volunteering, and prayers. We couldn't do it without you!!

We had a great 2019 camp season last summer. The Neu multi-purpose building was utilized for worship, games, evening events, and when it was raining or cooler outside. We want to continue to thank all who supported the completion of this building.

In October, we officially dedicated the "Neu" multi-purpose building, named in honor of Mel and Marvin Neu, who spent countless hours at the camp. We had close to 125 people in attendance on a very rainy day. Many in attendance shared stories of their time at camp and the impact it had on their lives or their children's.

Our updated website went live in February this year with a new look, as well as a new online camp registration system. You can also find information on the needs of the camp and upcoming events. The next phase of this project is expanding our online reservation system. Be sure to review the site. <https://campwhitebranch.org/>

In May, the Board made the decision to cancel 2020 summer camps due to COVID19. This was a difficult decision for us. Post our decision, the Governor declared overnight camps were not allowed to operate. This will impact our operating funds for the next year. We have been blessed with donations for some needed repairs and maintenance and believe God will provide. Groups and individuals with specific skills are encouraged to assist with projects at the camp, you can contact us at [volunteer@campwhitebranch.org](mailto:volunteer@campwhitebranch.org). We update our need list items and projects requiring specific skills sets on our website under the volunteer tab.

Post our decision to cancel, Lindsey Speer, Youth Leader at Reedsport COG, stepped up to organize a virtual summer camp for middle and high school aged youth. She created a program that could be utilized by other church's or faith based groups, not only our COG youth leaders. We were excited to have something to offer our youth.

Danette Beisley, Camp Coordinator, worked on assessing our camp prices, online registration process, and guidelines for Directors/Counselors. We increased prices to ensure Directors have funds for programming (activities, speakers, band, crafts, etc.) to make our camps the best possible. We are excited to report that Jon Nutter, has volunteered to be the Young Adult Camp Director and Doug and Danette Beisley will be shifting to direct Jr Camp. We are in need of a Middle School Camp Director. Please pray this position be filled soon and if you are interested please contact Danette.

Last year the District Council appointed a task force (Glen Hossler, Jerry Davisson, Mike Kernutt, Lisa Switzer, Alan Chaney, Lindsey Speer) to define the vision, mission, purpose and values for the camp. This group has met multiple times, conducted interviews, reviewed past task force information and details of other camps in the area, visited the camp, and much more to inform this work. Clearly defining this and gaining District support of the direction desired for this youth ministry is important. This work was completed, presented, and approved by the CWB Board and District Council. The task force has asked to continue as a group to define the strategy and plans to move this work forward. Thanks to this group for their support!

## CAMP WHITE BRANCH

**Vision:** *Provide a destination for individuals to enhance their overall well being*

*We desire our camp and retreat center to be a place where individuals, from children to adults, are able to come and get away from the challenge's life places in their path and focus on all aspects of personal well-being, as a group or as individuals.*

**Mission:** *Offer a safe, developed wilderness venue, for children, youth, and adults to have life changing experiences*

*Our mission is to provide a safe, developed wilderness venue for children, youth, and adults to have life changing experiences that impact overall character development. We achieve this by offering year-round Church of God ministries and opening up our facility to outside groups for camps, retreats, outdoor schools, and other events.*

*The Church of God summer camps and events at camp include fun activities planned each day, time for fellowship and learning, and encourages attendees to develop a relationship with God, with focused curriculum, guest speakers, and individuals who are living by example as counselors.*

**Purpose:** *To provide an affordable location for churches, the community, outdoor schools, and other groups to promote physical, emotional, educational, relational, and spiritual development*

*The Association of the Churches of God has been blessed with the opportunity to operate a non profit camp to enable us to fulfill our mission to introduce others to Jesus and show God's love through this ministry. Our desire is for our churches and outside groups to have a place for activities and gatherings to promote the overall health – both mind and body- of children, youth, and adults. We strive to keep our facility costs low in order to allow as many groups as possible to utilize it while at the same time ensuring quality facilities and services.*

**Core Values:**

**Hospitality-** When you visit our facility, one of our highest priorities is providing excellent food, service, and recreational experiences to ensure you are able to focus on your event. We show God's love first hand and honor the environment in all we do.

**Christ Centered-** The camp is owned and operated by The Association of Churches of God in Oregon and SW Washington, and it is our desire that each person experience Christ through our staff and ministries. Our primary ministry is summer youth camps offered each year that inspire, strengthen, encourage, and promote relationships with God.

**Affordable Services-** It is our desire to keep costs low to encourage broader participation and availability to groups. We hope our facility fits into your budget for your next event or retreat.

**Authentic Relationships-** Our location is set up to provide experiences that foster community and the development of relationships among peers and with Jesus. Our guests are able to spend time together or alone with no everyday life distractions.

## **CHRISTIAN WOMEN CONNECTION for Oregon and SW Washington of the Church of God**

The Connector Team of Christian Women Connection meets about 3 times a year and schedules two events. The officers are: Nancy Kernutt (President/Coordinator); Leslie Duclo (Treasurer); Maria Dixon (Finance Connector); Toni Johnson (Relationship/Spiritual Connector) and Joyce Hinkle (Parliamentarian). Leslie Duclo also is filling the position of Secretary until we can find more leadership for our team. Please notify Nancy Kernutt at [nankernutt57@gmail.com](mailto:nankernutt57@gmail.com) if you are interested.

Christ Birthday Offering originated in 1949 out of a desire by Women of the Church of God to combat commercialism. Thank you so much for the united effort of the 20 congregations who participated to celebrate and benefit the Kingdom.

Our income was \$22,440.38. Expenses were \$15,052.40. Christ Birthday Offering totaled \$19,339.12.

Our Christian Women Connection events were: Spring Connection held March 13<sup>th</sup> and 14<sup>th</sup> (2020) at Westview Church (Longview, WA). The guest speaker was Janelle Irwin and worship leader was Angi Jamieson. We had about 35 in attendance right before COVID-19 closures. The event was blessed and much needed to strengthen us for the days to come.

Fall Retreat was September 13<sup>th</sup>-15<sup>th</sup> (2019) held at Camp White Branch. Angellee Kloppman was the speaker/worship leader. Sessions were held in the Neu Facility. Reorganization of our schedule along with a large group game and movie night gave us an updated feel.

## **CREDENTIALS AND ADVISORY BOARD**

Present members of the Board are: John Kuykendall, Steve Hoover, Monica Monroe, Tim Irwin, Rich LaMar, Robin Brooke, and Charles Hunter as well as Jerry Davisson, District Pastor.

We continue to be part of Leadership Focus, a national Church of God system that is working well for many with the Church of God nationally. Building uniformity from one district to another is part of the reason for Leadership Focus. One positive thing is that it networks us with others in ministry all over the Church of God.

We have two individuals to ordain this summer, but there are some close to completion. It has been challenging for us to conduct interviews since the arrival of COVID-19. It is the preference of the board that we meet in person, especially when making decisions regarding ordination.

We are currently working with 20 individuals in the credentialing process. Some are licensed. We presently have 147 ministers on our approved list in this district for which we maintain files, and perform annual registration.

Blessings,

Monica Monroe, Chair

## MEN OF THE CHURCH OF GOD

Dear Church Family,

As we are in a new 1<sup>st</sup> century church in the 21<sup>st</sup> century, what does that mean? It means to me that we use all the media, all the technology that we can use to connect. How do we connect? We connect with God's people through these means: phone calls, emails, texting, Pinterest, etc. We've got to use it & use it hard.

Therefore, today we're faced with no retreats happening, just within our local families & small meetings within the local church. We need to encourage each other, by connecting with each other through the methods mentioned above, some of us on a monthly basis, some on a weekly basis, some on a daily basis. We are going to be building the kingdom, the kingdom of God.

*Learn to embrace the new "new".*

*Connect the dots!*

In His service,

Bill Marble, Chair

**Feel free to contact me**

Phone number: (503) 747-8982

Officers include Brad Lewis, Gary Duclo, Mark Gebler (Treasurer) and Jay Thornhill

***Due to COVID-19, the Men's Retreat that was previously scheduled for August 2020, has been postponed until next year.***

## WILLAMETTE VALLEY CAMPMEETING TASK FORCE

"Fully Alive" is the call of Jesus to every believer and was to have been the theme for this year's Willamette Valley Campmeeting (WVC). While we reluctantly made the decision to cancel this year's event, we look forward to next summer (August 1-5, 2021) when the same theme and scheduled speakers will be part of this annual week of worship, inspiration, and fellowship. Held on the historic grounds of the Oregon Christian Convention in Turner, Oregon, this annual week is a great time to get away and get refreshed! Make plans now to join us next year.

**Marshall Snider** will be our guest speaker next year at all main sessions as well as the daily morning youth service. Marshall is the founder of "Because People Matter," an organization that brings key community influencers and change makers together in a movement that has transformed thousands of people. He also partners with several Portland-area churches in the area of leadership development. **Daniel Ryan**, Overseer of Music Ministries at Lynchwood Church of God in Portland, will lead worship at the main sessions next year.

A **youth program** is a key part of this week. Many youth groups camp out together and the week features daily youth worship times and other events. Youth registration is projected to be only \$75 per person and includes lodging, programming, and food. Some **children's programming** is planned and a variety of **recreation** opportunities are featured, including a small creek that is great for tubing down the river on a hot day!

Affordable **overnight lodging options**, including cabins, RV spaces and campsites, are available onsite with a projected cost per person of only \$13 per night (age 5 and above), with a \$50 family maximum per night. **Commuters** are also welcome. **Meals** are available onsite on a donation basis.

While this annual week was originally started as a cooperative event by Region 3 churches (Albany, Salem and Woodburn), it has now grown to a district-wide event. Last year 20 district congregations were represented with approximately 200 people attending during the week.

Some of the core values of this week are to be less structured and more relational, to be volunteer-led, and to be donation-based. Our thanks to the volunteers who make this week happen, including planning, set-up, worship, speaking, children's ministry, cooking, and clean-up. We could not do this week without you!

On the financial side, last year's campmeeting received \$3,541.21 less than we spent, but thanks to a generous \$25,000 donation from Holladay Park Church of God (received in January 2019), the current balance of the WVC checking account is \$30,707.05.

Respectfully submitted,

Steve Kufeldt  
WVC Secretary-Treasurer

## REGION 1

I know it doesn't need to be said, yet I can't help but say it anyway—*Wow, how the world has changed!* We are all faced with finding God-honoring ways to navigate through all of these changes that have shaken this world we live in, both as individuals and collectively as the Body of Christ. But praise the Lord, He is *immutable!* God *never changes*. Hebrews 12:28-29 brings all of this into perfect focus: "Therefore, since we are receiving a kingdom which cannot be shaken, let us have grace, by which we may serve God acceptably with reverence and godly fear. For our God *is* a consuming fire." Amen!

The COVID-19 crisis has affected us like everyone else as we all try to adapt to the governor's mandates and meeting restrictions, but our region has seen very few cases of the virus. Our congregations here in Region 1 are all truly blessed as God continues to watch over His flock here on the south coast and guide us with His Spirit. Our regional meetings continue to be a great opportunity for the pastors to connect with, strengthen, and encourage one another. We share updates with each other and spend quality time praying for the specific needs in our churches.

Please pray that each of our congregations find our unique calling in our communities to shine the light of Jesus. God has set before us an open door of ministry during these crazy times. I'll leave you with a quote from Hannah Whitall Smith: "*...the God of love, when He sees His children resting their souls on things that can be shaken, must necessarily remove those things from their lives in order that they may be driven to rest only on the things that cannot be shaken...*"

In Christ's love,

Jim Minkler

## REGION 2

Our region is comprised of a large and diverse geographic region populated with few CHOG congregations. Our communities vary widely in demographics including socio-economic and political conditions. They are led by pastors with significant age and experience ranges. Our commonality is our faith in Christ.

This year we wished well three of our number who stepped down or retired from staff positions, Rick Haberly (Riverside, Cottage Grove), Larry Brown (Assoc. Roseburg), and David New (Springfield). In addition, we welcomed Lead Pastors Andrew Loyd (Riverside) and Bruce Silver (Klamath Falls), and serving in a staff role, Brandon Clark, Director of Family Ministries (Springfield).

If we thought in the previous year, we saw everything, Covid-19 proved we hadn't. Now, coupled with social unrest (unprecedented in my lifetime), an uncertain economic outlook, and a contentious election cycle, we find ourselves challenged and stressed in ways which only further reveal our need to remain connected and to rely on each other for strength and support.

As challenging as this season has been, and as one well-known leader has said, "crisis is an accelerator," it has brought significant and needed change across our congregations and district. I am appreciative of our District Pastor's efforts in connecting us in this season through ZOOM calls, his Gravity Coaching cohort, and untold and numerous confidential phone calls which have offered wise counsel, excellent coaching tips, and modelled compassionate and competent leadership. Jerry's work with our Council in bringing a balanced budget, encouraging greater transparency and accountability with Camp White Branch, as well as receiving a portion of assets from the sale of Holladay Park has been exemplary as he has endeavored to keep our eye on Leadership Development, Discipleship, church health and outward facing ministry which engages the community. The birth of the Pacific Coast Collective and the formation of the Chapter 4 Initiative owes much to his engaged and thoughtful contributions, and his recruitment and raising of support.

It is my incredible privilege to be a Chapter 4 Fellow representing our District and Region. I covet your prayers and support in the year ahead as we launch our Chapter 4 Initiative locally. Despite the disruptions of our schedule and plans, I see the hand of God moving within our District and Region and am excited about seeing the harvest of these efforts.

Our Region 2 congregations and pastors each have much to celebrate as well as many and varied concerns. Below is a sampling, please add them to your prayers and praises:

"Things at SCOG have continued to move forward even in these unique times. In February we hired a new Director of Family Ministries, Brandon Clark. We have chosen to use this summer to finish remodeling the upstairs of our church, which is a big celebration. At one time we had five different carpets up here! The volunteers who are helping have been such

a blessing and we are getting close to being done! Please be praying for our church as we seek the Lord's wisdom in how to best do ministry in this season. There are so many restrictions and yet many opportunities. We want to honor God and represent Him well during this time of need in people's lives. Thank you for the e-mail!"— Jason Mitchell

Celebrating deeper relationships with school partnerships and opportunities to minister to new groups who have needed a new meeting place. Pray for wisdom as we lead the congregation and community during the Covid-19 outbreak. — Jenny Elliot

Two and a half years ago First Church of God, Klamath Falls invited me to be their interim pastor. This past March they voted to make me their pastor. I am working on moving my ordination to The Church of God. Current praises are for the tech team who stepped up and made online worship available as well as the new people being reached by this medium. Prayer requests are for an aging congregation during the pandemic as well as church finances. — Bruce Silver

This will be my final report as the Region 2 representative as I pass the baton to Jason Mitchell (Springfield) for the next season. It has been an honor and privilege to serve.

### REGION 3

The pastoral leaders of congregations of Region 3 (Albany, Lebanon, Salem and Woodburn) are committed to partner together to continue to build God's Kingdom. We meet every other month, usually in person at the Oak Park (Salem) congregation and include lunch, but during the COVID-19 pandemic, we have met via ZOOM video conference.

It is with great reverence that I attend these meetings for pastors (including current staff as well as retired pastors in our region) as the only lay minister. We are truly blessed at each meeting by the sharing and caring atmosphere that is present. We encourage one another by sharing what is happening in our churches and region. We seek God's will and direction as we plan cooperative efforts. Although the videoconference meetings are not the same as in-person meetings, the meetings have been highly effective for the continuing efforts for our region.

We decided to go "old school with a twist" this year by returning to the old regional "unity services" idea, but instead of gathering quarterly for worship and preaching, we decided to hold roundtable events that would not only strengthen our fellowship but also help grow the Kingdom. Each church would host an event on a Sunday afternoon that would include worship music

and sharing by the host congregation on a Kingdom topic, followed by roundtable discussion and end with a meal. We are sorry that the current health pandemic cancelled these events, but we look forward to revisiting this idea in the future.

Our major event each year is the hosting of the annual "Willamette Valley Campmeeting," which has grown into a district-wide event. While we made the decision to cancel this year's campmeeting due to the Coronavirus, all of our plans, including the scheduled speaker and worship leader, will be rolled over to 2021. Please save the dates of **August 1-5, 2021** when we return to the Oregon Convention Center grounds in Turner, Oregon, for this annual week of worship, inspiration, and fellowship for both overnight guests and daytime participants.

Region 3 is also making plans for another cooperative mission trip to "Welcome Home Outreach" in Vicente Guerrero, Mexico in 2021, when we again will help provide much needed housing and support for a well deserving family in the area.

This past year several in our region have faced very difficult times. I am reminded of how faithful God is as He continues to work all over our district. One final note to share is that Region 3 welcomed Matt Ingalls as the new Lead Pastor of the Oak Park Church of God (Salem) congregation. Matt has been a very thoughtful and faithful contributor to our region, and we are all blessed to have him.

Respectfully submitted,

Gary Johnson

Region 3 District Council Representative

## REGION 4

Hello from our Western Portland area churches!! Our region includes Aloha, Tigard, Hillsboro, Newberg and Gales Creek. We have been meeting regularly every other month until the stay at home orders began. Honestly, I miss them very much... We have all become good friends and a big support for each other. These times have been life-giving and needed for our pastors. We take time to share about what's going on in our lives, churches, and ministries. We then spend time in intentional prayer for one another and talk about anything new that is happening within the district. Following this, we go out to lunch and spend more time in fellowship together.

The majority of our pastors have been able to come on a regular basis. The churches/pastors who have been in attendance are:

Aloha – Tim Irwin

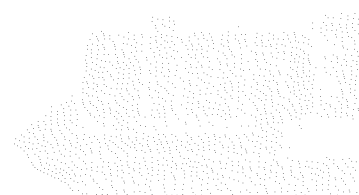

Tigard – Milt Culver, Teresa Hellstrom

Hillsboro (Valley Hope) – Robin Brooke

Newberg – Doug Balzer, Paula Wilson, Doug Dougherty

Gales Creek – Tim Townley

## REGION 5

Region 5 includes churches in Rainier, Oregon; St. Helens, Oregon; Scappoose, Oregon and Longview, Washington.

This has been a quiet time for our churches with all of us changing how we operate due to the virus. I have been very pleased with each church and their services online. The feedback has been that many people have been watching each service. It will be interesting to see if these online services bring people to the church and to the Lord.

We have had one pastor's meeting with social distancing and plan to meet again the end of July. We also have a Singspiration planned for September and have talked about having a campout.

Thank you,

Michael Kernutt  
Region 5 Representative

## REGION 6

Region 6 is comprised of Husum, La Grande, Prineville, Redmond, and The Dalles.

The wide geographical area covered by this region makes it difficult to meet in person. We have tried to hold occasional Zoom meetings in the past, but they are infrequent.

Those of us who live in Central Oregon do meet regularly. We share resources, personnel, and ideas. Worship team members from Redmond Church of God rotate to Prineville each week to support the service there. Our churches work collectively in many areas.

This year Pastor Doug Shrock retired from his ministry in Prineville and Pastor Robbin Foster stepped in as Interim Pastor. She left her position as Associate Pastor of Redmond Church of God, but due to our cooperative ministry she continues to be a great influence on the mission and work in Redmond.

Best wishes from Region 6!

*Pastor Dave Thompson*

## NOTES ON GIVING REPORTS

Please refer to the following explanation when reviewing the church giving reports on pages 26-28.

- The information on the three pages is the same, but each page is sorted differently (alpha, per capita and total amount given).
- Total giving column includes all donations to general operations and other designated giving through June 2020.
- YTD general column includes only donations for the general operations of the Association of the Churches of God through June 2020.
- YTD designated column includes donations designated for other specific areas through June 2020.
